## NO MONEY? NO PROBLEM!

Free Sexual Health Services in LA  
County for Youth

### Remember:

- ☀ Youth ANY AGE can consent for their own birth control
- ☀ Youth age 12 and up can consent for their own STD/HIV services (including testing, treatment, vaccines, PrEP and PEP)

### LA County STD Clinics

FREE STD and HIV testing and treatment for all L.A. County residents.

### Family PACT

FREE birth control and STD/HIV testing and treatment for Californians with lower incomes. Covers most youth. All clinics listed in [pocketguidela.org](http://pocketguidela.org) use Family PACT. Sign up at the clinic.

### Minor Consent Medi-Cal

For youth under 21 who live with their parents, and foster youth to age 26. FREE birth control, STD/HIV services, drug and alcohol treatment, and mental health treatment. Sign up at a County DPSS office.

### Emergency Medi-Cal

Can be used for urgent services, including abortion. Sign up at a County DPSS office.

### Confidential Communications Report ("CCR")

Use your family insurance plan for sexual health services while keeping your clinic visit private.

More info: [visitMyHealthMyInfo.org](http://visitMyHealthMyInfo.org)

### Vaccines for Children ("VFC")

Can pay for vaccinations, including for HPV and Hep B for youth under 18. Ask your doctor!
